TERMS OF SALE

- After receipt of the order form, an invoice will be sent to you with the total cost; please check the information to make sure it is accurate. No deposit is required to start the order.
- **Payment must be made before or at the time of delivery.** Checks and credit cards accepted. If paying by credit card, a Paypal link will be emailed for payment. **No Paypal account or registration required.**
- Customer is responsible for verifying space required for the bins as well as clearances for maneuvering bins into final location. We can only deliver and set up the bins in front of the property, no inside delivery.
- For your convenience, the bins can be set up without you being home; simply let us know where the bins should be placed. Area must be clear and free of refuse before delivery.
