

THE METROBOX COMPANY LLC

SPECIFICATION

Overall size: 54" W 28" D 40" H (front 33")
Door clearance: 29" from top of floor to door frame
Material: Aluminum extrusion and plate
Wall panel: UV treated perforated PVC
Floor plate: 1/8" thick aluminum diamond plate
Hardware: Stainless steel
Finish: Satin black powder coat
Weight: 115 lbs
Load capacity: Not to exceed 150 lbs
Warranty: Three years

The spring loaded mechanism assists with the lifting of the top lid. To prevent injury and damage, DO NOT allow the lid to free fall.

OPTIONAL KEYED SLAM LOCK

- The MasterLock functions as a slam lock, it can not stay unlocked.
- Use the key to unlock and open the lid, the lock automatically locks after closing the lid.
- Apply 3 in 1 oil and de-icing fluid to prevent key from sticking and freezing.
- 2 keys provided per lock. Keys are US standard # 81 size and can be duplicated.
- Keep lock hole covered at all times to prevent dust and moisture from entering key hole.

LIMITED WARRANTY

The warranty is extended solely to the original purchaser for a three years period from date of purchase against defects in material, parts and workmanship under normal use. The warranty does not cover theft, vandalism, negligence, tampering or improper use.

The Metrobox Company reserves the right to assess the nature of the defects within the warranty period and the determine the best course of action to remedy the defect. This warranty excludes scratches, dents, etc caused by wear and tear under normal use or color fading due to exposure to the elements over time.
